THE BRAIN FUEL BULLETIN

"FUELING CURIOSITY, ONE EDITION AT A TIME"

Volume 2 : Issue No. 1 - July & August 2026

INSTITUTE VISION

To Provide Academic and Technical Excellence to all Classes of Society for Sustainable and Socio-Economic Development.

INSTITUTE MISSION

- To develop and maintain state-of-the-art infrastructure and modern facilities that foster a productive, inclusive, and stress-free learning environment.
- To promote skill development, capacity building and research attitude through innovative training programs for students and faculty, enhancing their competencies and employability.
- To engage in strategic community outreach and extension activities for sustainable development and socio-economic upliftment.

FUEL FOR THOUGHT

"The best way to predict the future is to invent it."

— Alan Kay

PRINCIPAL MESSAGE

I'm pleased to see the Department of Computer Engineering launch "The Brain Fuel Bulletin", a thoughtful initiative that promotes curiosity, creativity, and collaboration. This newsletter reflects the vibrant academic spirit of the department and will surely inspire students and faculty alike.

Congratulations to Dr. B. S. Shirole and the entire team for their efforts. Wishing everyone a successful and enriching academic year ahead.

Dr. K. V. Chandratre

THE BRAIN FUEL BULLETIN

"FUELING CURIOSITY, ONE EDITION AT A TIME"

Volume 2 : Issue No. 1 - July & August 2026

HOD MESSAGE

I'm delighted to present our department's newsletter, "The Brain Fuel Bulletin"—a platform created to spark curiosity and foster a habit of learning, one thoughtful edition at a time. Each release aims to encourage innovation, share achievements, and inspire both students and faculty to grow intellectually and creatively.

I sincerely thank Principal Dr. K. V. Chandratre and all our faculty members for their valuable support and constant encouragement. I wish all students and staff a successful and enriching academic year ahead.

Dr. B. S. Shirole
(Head of the Department)

DEPARTMENT VISION

To excel in the field of Computer Engineering by developing competent, innovative, and socially responsible engineers dedicated to the advancement of sustainable technology, industry, and the well-being of society.

DEPARTMENT MISSION

- To provide quality education in Computer Engineering with a focus on technical excellence, innovation, and problem-solving.
- To promote research and development in sustainable and emerging technologies.
- To instill ethical values, leadership, and a commitment to lifelong learning for societal and industrial growth.

FUEL FOR THOUGHT

"Learning is never done without errors and defeat."

— Vladimir Lenin

EXPERT TALK: FROM CAMPUS TO CORPORATE – BUILDING A SUCCESSFUL CAREER IN THE AI ERA

The Computer Engineering Department of LoGMIEER successfully organized an insightful expert talk on "From Campus to Corporate – What It Really Takes to Build a Successful Career in the AI Era." The session was conducted by Mr. Shashank R. Shinde, Director, Streamline Tech, Pune, in association with Settribe – Development Partner. The talk aimed to provide students with practical insights into transitioning from academic life to the corporate world.

Mr. Shashank R. Shinde shared valuable insights on career readiness, industry expectations, AI-driven technologies, and essential technical and soft skills. He emphasized continuous learning, adaptability, and upskilling to meet the evolving demands of the IT industry. The interactive session inspired students to embrace innovation and confidently prepare for careers in the AI era.

The department sincerely thanks Mr. Shashank R. Shinde and Settribe – Development Partner for their valuable contribution and insightful career guidance.

AWARENESS SESSION ON APTITUDE SKILLS

The Computer Engineering Department of LoGMIEER successfully organized an Awareness Session on Aptitude on 30th July 2026 for students. The session highlighted the importance of aptitude skills in campus placements, competitive examinations, and career development.

Students were introduced to various aptitude topics, effective problem-solving techniques, time management strategies, and preparation methods to improve their performance in aptitude tests. The session focused on developing logical thinking, analytical reasoning, and quantitative skills essential for professional success.

The session proved to be informative and motivating, encouraging students to begin their aptitude preparation with confidence, consistency, and a focused approach.

DEPARTMENT VISION

To excel in the field of Computer Engineering by developing competent, innovative, and socially responsible engineers dedicated to the advancement of sustainable technology, industry, and the well-being of society.

DEPARTMENT MISSION

- To provide quality education in Computer Engineering with a focus on technical excellence, innovation, and problem-solving.
- To promote research and development in sustainable and emerging technologies.

EXPERT TALK ON "CYBER SECURITY – EMERGING THREATS, INDUSTRY PRACTICES & CAREER OPPORTUNITIES"

The Departments of Computer Engineering, AIML, and IT at LogMIEER successfully organized an insightful expert session on "Cyber Security – Emerging Threats, Industry Practices & Career Opportunities." The session aimed to familiarize students with the rapidly evolving cybersecurity landscape and the growing importance of cybersecurity professionals across industries.

The session featured a distinguished panel of experts, including Om Desale – Expert Speaker; Devendra Hyalij – Bug Bounty Hunter & Co-Founder; Ghanshyam Jeswani – Offensive Security Analyst & Director of Offensive Security; Yukta Geet – Marketing Head; and Pranav Patil – Founder, Apthex Technologies Pvt. Ltd. The experts shared valuable insights into emerging cyber threats, ethical hacking, bug bounty, offensive security, industry practices, and current industry expectations.

The interactive session provided students with practical perspectives on cybersecurity and highlighted diverse career opportunities and pathways in this rapidly growing field. It encouraged students to develop relevant technical skills, stay updated with emerging threats, and explore cybersecurity as a promising career option.

SIH AWARENESS SESSION 2026 – FROM IDEA TO PROTOTYPE TO GRAND FINALE

The Research & Innovation Club (RIC), LoGMIEER, in association with the Departments of Computer Engineering, AIML, and Information Technology, successfully organized the SIH Awareness Session 2026 on 11th August 2026. The session aimed to familiarize students with the Smart India Hackathon (SIH) and encourage them to actively participate in one of India's prominent innovation and problem-solving platforms.

The session provided students with valuable guidance on the complete hackathon journey—from understanding problem statements and forming effective teams to ideation, solution development, prototyping, and final presentation. Students also gained practical insights from experienced student innovators who have participated in and won national-level hackathons, including the SIH 2025 Grand Finale and other prestigious competitions.

The session inspired students to transform their ideas into innovative, impactful solutions and strengthened their confidence to participate in hackathons. It further contributed to fostering a culture of innovation, collaboration, creativity, and problem-solving at LoGMIEER.

COMPUTER TOPPERS OF A.Y. 2025-26

We are proud to announce the top performers of Second Year (SE), Third Year (TE), and Final Year (BE) Computer Engineering for the Academic Year 2025-26. These students have demonstrated exceptional dedication, academic discipline, and consistent performance throughout the year.

Top Performers – BE Computer Engineering

First Topper

Hitesh Jadhav
CGPA: 9.32

Second Topper

Samruddhi Kasav
CGPA: 8.69

Third Topper

Agroya Warad
CGPA: 8.59

Top Performers – TE Computer Engineering

First Topper

Aakanksha Shirsat
CGPA: 9.71

Second Topper

Ritika Kanojiya
CGPA: 8.57

Third Topper

Pratiksha Bhabad
CGPA: 8.50

Top Performers – SE Computer Engineering

First Topper

Aarya Wagh
CGPA: 8.77

Second Topper

Arati Ahire
CGPA: 8.73

Third Topper

Smita Deshmukh
CGPA: 8.57

7-DAY OFFLINE APTITUDE TRAINING PROGRAM

A 7-Day Offline Aptitude Training Program was organized for Third Year and Final Year students across all departments, with the objective of strengthening their aptitude, reasoning, verbal ability, and overall placement preparation. The training program commenced on 5th August 2026 and continued for seven consecutive days, including Sunday.

The program focused on developing students' problem-solving abilities, logical and analytical reasoning, quantitative aptitude, verbal communication, and time-management skills. Through structured training and practice sessions, students were guided to approach aptitude tests with greater accuracy, speed, and confidence.

The initiative provided valuable placement-oriented preparation, helping students become better equipped to face campus recruitment processes and competitive assessments. Students were encouraged to actively participate and make the most of this opportunity to enhance their career readiness.

DEPARTMENT VISION

To excel in the field of Computer Engineering by developing competent, innovative, and socially responsible engineers dedicated to the advancement of sustainable technology, industry, and the well-being of society.

DEPARTMENT MISSION

STUDENT ACHIEVEMENT – ADITI KATHE SHINES AT INTER-COLLEGIATE SWIMMING COMPETITION

The Computer Department of LoGMIEER proudly celebrates the remarkable achievement of Miss Aditi Kathe, a Second Year (SE Computer Engineering) student, who delivered an outstanding performance at the Inter-Collegiate Swimming Competition held at Veer Savarkar Swimming Pool, Nashik.

Aditi showcased her exceptional swimming skills and secured:

- 1st Place – 400 m Freestyle
- 2nd Place – 800 m Freestyle

Her impressive performance has earned her selection to represent the Nashik Zonal Team at the upcoming Savitribai Phule Pune University Inter-Zonal Swimming Competition, to be held at M. M. College of Engineering, Karvenagar, Pune.

The Computer Department congratulates Aditi on this outstanding accomplishment and wishes her continued success in the upcoming competition. May she continue to swim strong, achieve greater heights, and make LoGMIEER proud. Students benefited greatly from the session, gaining motivation, practical strategies, and a broader perspective on career development.

EXPERT SESSION ON AVISHKAR COMPETITION AWARENESS

The Department of Computer Engineering, LoGMIEER, Nashik organized an insightful Expert Session on Avishkar Competition Awareness on 31st August 2026. The session aimed to familiarize students with the Avishkar Research Convention and encourage them to explore research and innovation opportunities.

The session was conducted by Ms. Kashish Kazzi and Ms. Sehar Raje, who guided students about the objectives of Avishkar, the participation process, and the various opportunities available to present innovative ideas and research projects. Students gained valuable insights into developing and presenting research-oriented solutions.

The session encouraged students to cultivate a spirit of research, innovation, creativity, and problem-solving, while motivating them to actively participate in Avishkar and transform their ideas into meaningful and impactful solutions.
