

AD-301	Activity Report	Academic Year: 2025-26
Rev-00		Semester: V/VII

DEPARTMENT OF COMPUTER ENGINEERING

Particulars	Description
Activity	Career Opportunities in IT
Activity level	Department Level
Title	Career Opportunities in Information Technology (IT)
Speaker / Resource Person	Archana Nigade Founder & CEO – Orange ITech Co-Founder – DArch Tech LLP Software Solutions
Organized by	Prof. D. B. Pawase Training and Placement Officer (TPO)
Venue	Seminar Hall
Date & Time	13th February 2026 Time 10.30 Am to 12.00PM
Objectives of the activity	<ul style="list-style-type: none">• To create awareness about career opportunities in the IT industry.• To guide students on current IT market trends and required technical skills.• To inform students about entrepreneurship and startup opportunities in IT.• To motivate students for career planning and skill development.
Outcomes of activity	<ul style="list-style-type: none">• Students understood various job roles in IT such as Software Developer, Web Developer, Data Analyst, Cloud Engineer, etc.• Students gained knowledge about industry expectations and skill requirements.• Awareness about startup culture and entrepreneurship opportunities.• Students were motivated to enhance their technical and soft skills.
Targeted participants	SE and TE Computer Engineering Students
Total no. of participants, Participation %	Approximately 55 Students (75% Participation)
Content of the activity	<ul style="list-style-type: none">• Overview of IT Industry and its growth

	<ul style="list-style-type: none"> • Current job trends and in-demand technologies • Required technical and soft skills • Career roadmap for IT students • Entrepreneurship opportunities in IT sector • Interactive Q & A session
Relevance to POs	<ul style="list-style-type: none"> • PO1: Engineering Knowledge • PO3: Design/Development of Solutions • PO5: Modern Tool Usage • PO8: Ethics • PO12: Life-long Learning
Relevance to PSOs	<ul style="list-style-type: none"> • Application of software development skills in real-world IT projects • Development of professional competency in emerging technologies
Methodology used	<ul style="list-style-type: none"> • PowerPoint Presentation • Real-world examples • Interactive discussion • Question & Answer session
Brief Description of the Activity	<p>The Department of Computer Engineering organized an expert lecture on “<i>Career Opportunities in IT</i>” on 13th February 2026 in the Seminar Hall for SE and TE Computer Engineering students. The session was delivered by Archana Nigade, Founder & CEO of Orange ITech and Co-Founder of DArch Tech LLP Software Solutions. She shared valuable insights about the IT industry, career paths, industry expectations, and entrepreneurship opportunities. The session was informative and interactive, helping students understand the roadmap for a successful IT career.</p>
