Achyut Godbole – <i>Artificial Intelligence and the Future of the World</i> ● Adv. Dr. Arvind S. Avhad – <i>The Need for Spiritual Knowledge in the Era of Artificial Intelligence</i> ● These sessions enhanced students' understanding of Artificial Intelligence, future technologies, ethical AI practices, and the importance of integrating technical knowledge with human value ● PSO2: Competitive Readiness & Professional Excellence ● Shri. Bharat Andhale (IRS) – <i>Competitive Examinations and Today's Youth</i> ● The session strengthened analytical thinking, discipline, time management, and preparation strategies required for competitive

	<p>exams and professional careers in public service.</p> <ul style="list-style-type: none"> • PSO3: Entrepreneurship & Startup Development • Shri. Pritesh Mahajan – Revamp Moto Pvt. Ltd. • Shri. Vikram Ugale – <i>Startup Success Story: The Journey of Hotel Curry Leaves</i> • Shri. Swapnil Gite – <i>Developing an Entrepreneurial Mindset</i> • These sessions promoted innovation, startup culture, business strategy, financial awareness, leadership skills, and risk-taking ability, directly aligning with entrepreneurial PSOs. • PSO4: Social Responsibility & Administrative Awareness • Adv. Sunny Sanap – <i>Social Transformation through Administration</i> • The session emphasized governance, law, ethical administration, and the role of professionals in bringing positive social change. • PSO5: Digital Communication & Media Skills • Shri. Mangesh Kakad (Mangaji) – <i>Opportunities and Strategy through Social Media</i> • This session enhanced digital literacy, branding strategies, communication effectiveness, and career opportunities in the digital ecosystem.
Methodology used	<ul style="list-style-type: none"> • Expert Lectures: Domain experts delivered structured presentations on competitive exams, artificial intelligence, entrepreneurship, administration, and social media. • Motivational Talks: Speakers shared personal success stories and real-life experiences to inspire and guide students. • Interactive Sessions: Two-way communication was encouraged through open discussions between speakers and students. • Question & Answer Sessions: Students actively participated by asking queries related to career paths, startups, technology, and leadership. • Case Studies & Practical Examples: Real-world business models, startup journeys, and administrative experiences were discussed to provide practical understanding. • Multimedia Presentations: Audio-visual aids and digital presentations were used to enhance clarity and engagement. • Experience Sharing & Networking: The summit provided opportunities for students to interact with professionals and build industry connections.
Brief Description of the Activity	<p>KVN Students’ Summit 2026 – Vision to Venture was a state-level mega summit organized by WE Professionals in association with KVN Naik Shikshan Prasarak Sanstha (Management) on Friday, 20 February 2026 at Gurudakshina Auditorium, Pusad.</p> <p>The summit aimed to bridge the gap between academics and industry by providing students with practical insights, entrepreneurial guidance, and motivational direction from eminent personalities belonging to government, legal, corporate, digital, and hospitality sectors. The sessions covered important themes such as competitive examinations, artificial intelligence and its future impact, spiritual and ethical values in the technological era, social transformation through administration, startup journeys, social media opportunities, and entrepreneurial mindset development.</p>

Distinguished speakers including Shri. Bharat Andhale, Adv. Dr. Arvind S. Avhad, Shri. Achyut Godbole, Shri. Pritesh Mahajan, Shri. Mangesh Kakad (Mangaji), Shri. Swapnil Gite, Adv. Sunny Sanap, and Shri. Vikram Ugale shared their real-life experiences, industry knowledge, and professional insights. The interactive sessions, motivational talks, and practical examples helped students gain clarity about career paths, innovation, leadership, and startup opportunities.

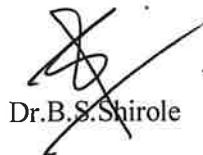

Overall, the summit served as a dynamic platform for knowledge sharing, inspiration, and skill enhancement, making it a truly life-changing experience for the participating students.
