

AD-301	Activity Report	Academic Year: 2026-27
Rev-00		Semester: III/VII

DEPARTMENT OF COMPUTER ENGINEERING

Particulars	Description
Activity	Expert Session
Activity level	Department Level
Title	Awareness Session on Aptitude
Speaker / Resource Person	Prof.D. B. Pawase Training and Placement Officer Logmieer
Organized by	Department of Computer Engineering, LOGMIEER Engineering College, Nashik
Venue	Computer Department Classroom 303
Date & Time	30 July 2026
Objectives of the activity	To create awareness about aptitude tests used in campus placements. To improve students' logical, quantitative, and verbal reasoning skills. To motivate students to prepare for placement examinations
Outcomes of activity	Students understood the importance of aptitude preparation. Students became familiar with different aptitude question patterns. Students were motivated to practice regularly for placements.
Targeted participants	Third Year (TE) Computer Engineering Students
Total no. of participants, Participation %	60 Students, 100% Participation
Content of the activity	The session covered the importance of aptitude in recruitment processes, quantitative aptitude, logical reasoning, verbal ability, problem-solving techniques, time management, and preparation strategies for campus placements.
Relevance to POs	PO1: Engineering Knowledge PO9: Individual and Team Work PO10: Communication PO12: Life-long Learning
Relevance to PSOs	PSO1: Apply technical and analytical skills for problem solving. PSO2: Develop professional skills required for higher education and employment.

Methodology used

Expert Lecture, Interactive Discussion, Question & Answer Session, Practical Aptitude Examples

Brief Description of the Activity

The Department of Computer Engineering organized an **Awareness Session on Aptitude** on **30 July 2026** for **Third Year (TE) students**. The session was delivered by **Prof. D. B. Pawase**, who explained the significance of aptitude tests in campus recruitment. He discussed quantitative aptitude, logical reasoning, verbal ability, and effective preparation strategies. Students actively participated in the interactive session and clarified their doubts regarding placement examinations. The session encouraged students to begin regular aptitude practice to improve their employability skills.
