DEPARTMENT OF COMPUTER ENGINEERING

Particulars	Description
Activity	Engineering Day Celebration
Activity level	Department Level
Title	Engineering Day Celebration – 2k26
Speaker / Resource Person	Students and Staff Members of the Department of Computer Engineering
Organized by	Department of Computer Engineering
Venue	Classroom No. 330
Date & Time	15.09.2026 at 1:00 PM
Objectives of the activity	To celebrate Engineering Day and create awareness among students about the importance of engineering in society and nation building. To motivate students towards innovation, technical learning, problem-solving and professional development.
Outcomes of activity	Students understood the importance and contribution of engineers to society. The activity encouraged students to develop technical skills, innovative thinking, problem-solving abilities and a professional attitude.
Targeted participants	SE, TE and BE Computer Engineering Students
Total no. of participants, Participation %	60%
Content of the activity	The activity focused on the significance of Engineering Day, the role of engineers in technological development, innovation, problem-solving, emerging technologies and the responsibilities of engineering students towards society and the nation. Students and staff shared their views and experiences related to engineering and technology.
Relevance to POs	PO1: Apply engineering knowledge to solve engineering problems. PO2: Identify and analyze complex problems. PO3: Design and develop appropriate solutions. PO5: Use modern engineering tools and technologies. PO6: Understand the impact of engineering solutions on society. PO10: Communicate effectively. PO12: Engage in lifelong learning and professional development.
Relevance to PSOs	PSO1: Apply computer engineering knowledge to solve real-world problems. PSO2: Use modern engineering tools and technologies.

	technologies and tools for professional applications. PSO3: Develop technical, innovative and professional skills required for the IT industry.
Methodology used	Expert/faculty interaction, presentation, motivational talk, student interaction and discussion.
Brief Description of the Activity	The Department of Computer Engineering organized Engineering Day Celebration 2026 on 15.09.2026 at 1:00 PM in Classroom No. 330. The activity was conducted for SE, TE and BE Computer Engineering students . The program highlighted the importance of engineering and the significant role played by engineers in technological advancement and nation building. Students were encouraged to develop innovative thinking, technical knowledge, problem-solving abilities and professional skills. The activity provided an opportunity for students to understand the responsibilities of engineers and motivated them to contribute positively to society through technology and innovation.
