

AD-301	Activity Report	Academic Year: 2026-27
Rev-00		Semester-III/V/VII

DEPARTMENT OF COMPUTER ENGINEERING

Particulars	Description
Activity	Teachers' Day Celebration
Activity level	Department Level
Title	Teachers' Day Celebration 2026
Speaker / Resource Person	Department Faculty Members
Organized by	Department of Computer Engineering.
Venue	Classroom No. 330
Date & Time	15.09/2026 1PM
Objectives of the activity	To celebrate Teachers' Day and express gratitude towards teachers for their guidance and contribution. To strengthen the relationship between students and teachers and encourage respect for the teaching profession.
Outcomes of activity	Students understood the importance of teachers in their academic and professional development. The activity promoted respect, gratitude and positive interaction between students and faculty members.
Targeted participants	Students and Faculty Members of Computer Engineering
Total no. of participants, Participation %	65%
Content of the activity	The activity focused on the importance of teachers, their contribution to students' academic and personal development, the role of teachers in shaping future professionals, and the importance of mutual respect between students and teachers.
Relevance to POs	PO6: Understanding the impact of professional responsibilities on society. PO8: Understanding professional ethics and responsibilities. PO9: Teamwork and effective interaction. PO10: Communication skills. PO12: Life-long learning and professional development.
Relevance to PSOs	PSO1: Application of technical and professional knowledge in the field of Computer Engineering, IT and AIML. PSO2: Development of professional and interpersonal skills. PSO3: Continuous learning and adapting to emerging technologies.
Methodology used	Interactive session, student participation, faculty interaction, speeches, appreciation activities and group discussion.

Brief Description of the Activity

Teachers Day was celebrated on 15.09.2026 by the Department of Computer Engineering, in Classroom No. 330. The activity was organized to express gratitude and appreciation towards teachers for their valuable guidance, support and contribution to students' development. Students participated actively in the celebration and shared their thoughts and experiences about their teachers. Faculty members also interacted with the students and encouraged them to focus on academic growth, professional skills and lifelong learning. The celebration created a positive and respectful environment and strengthened the bond between students and teachers.
