Activity Report

Academic Year: 2026-27

Semester: III,V,VII

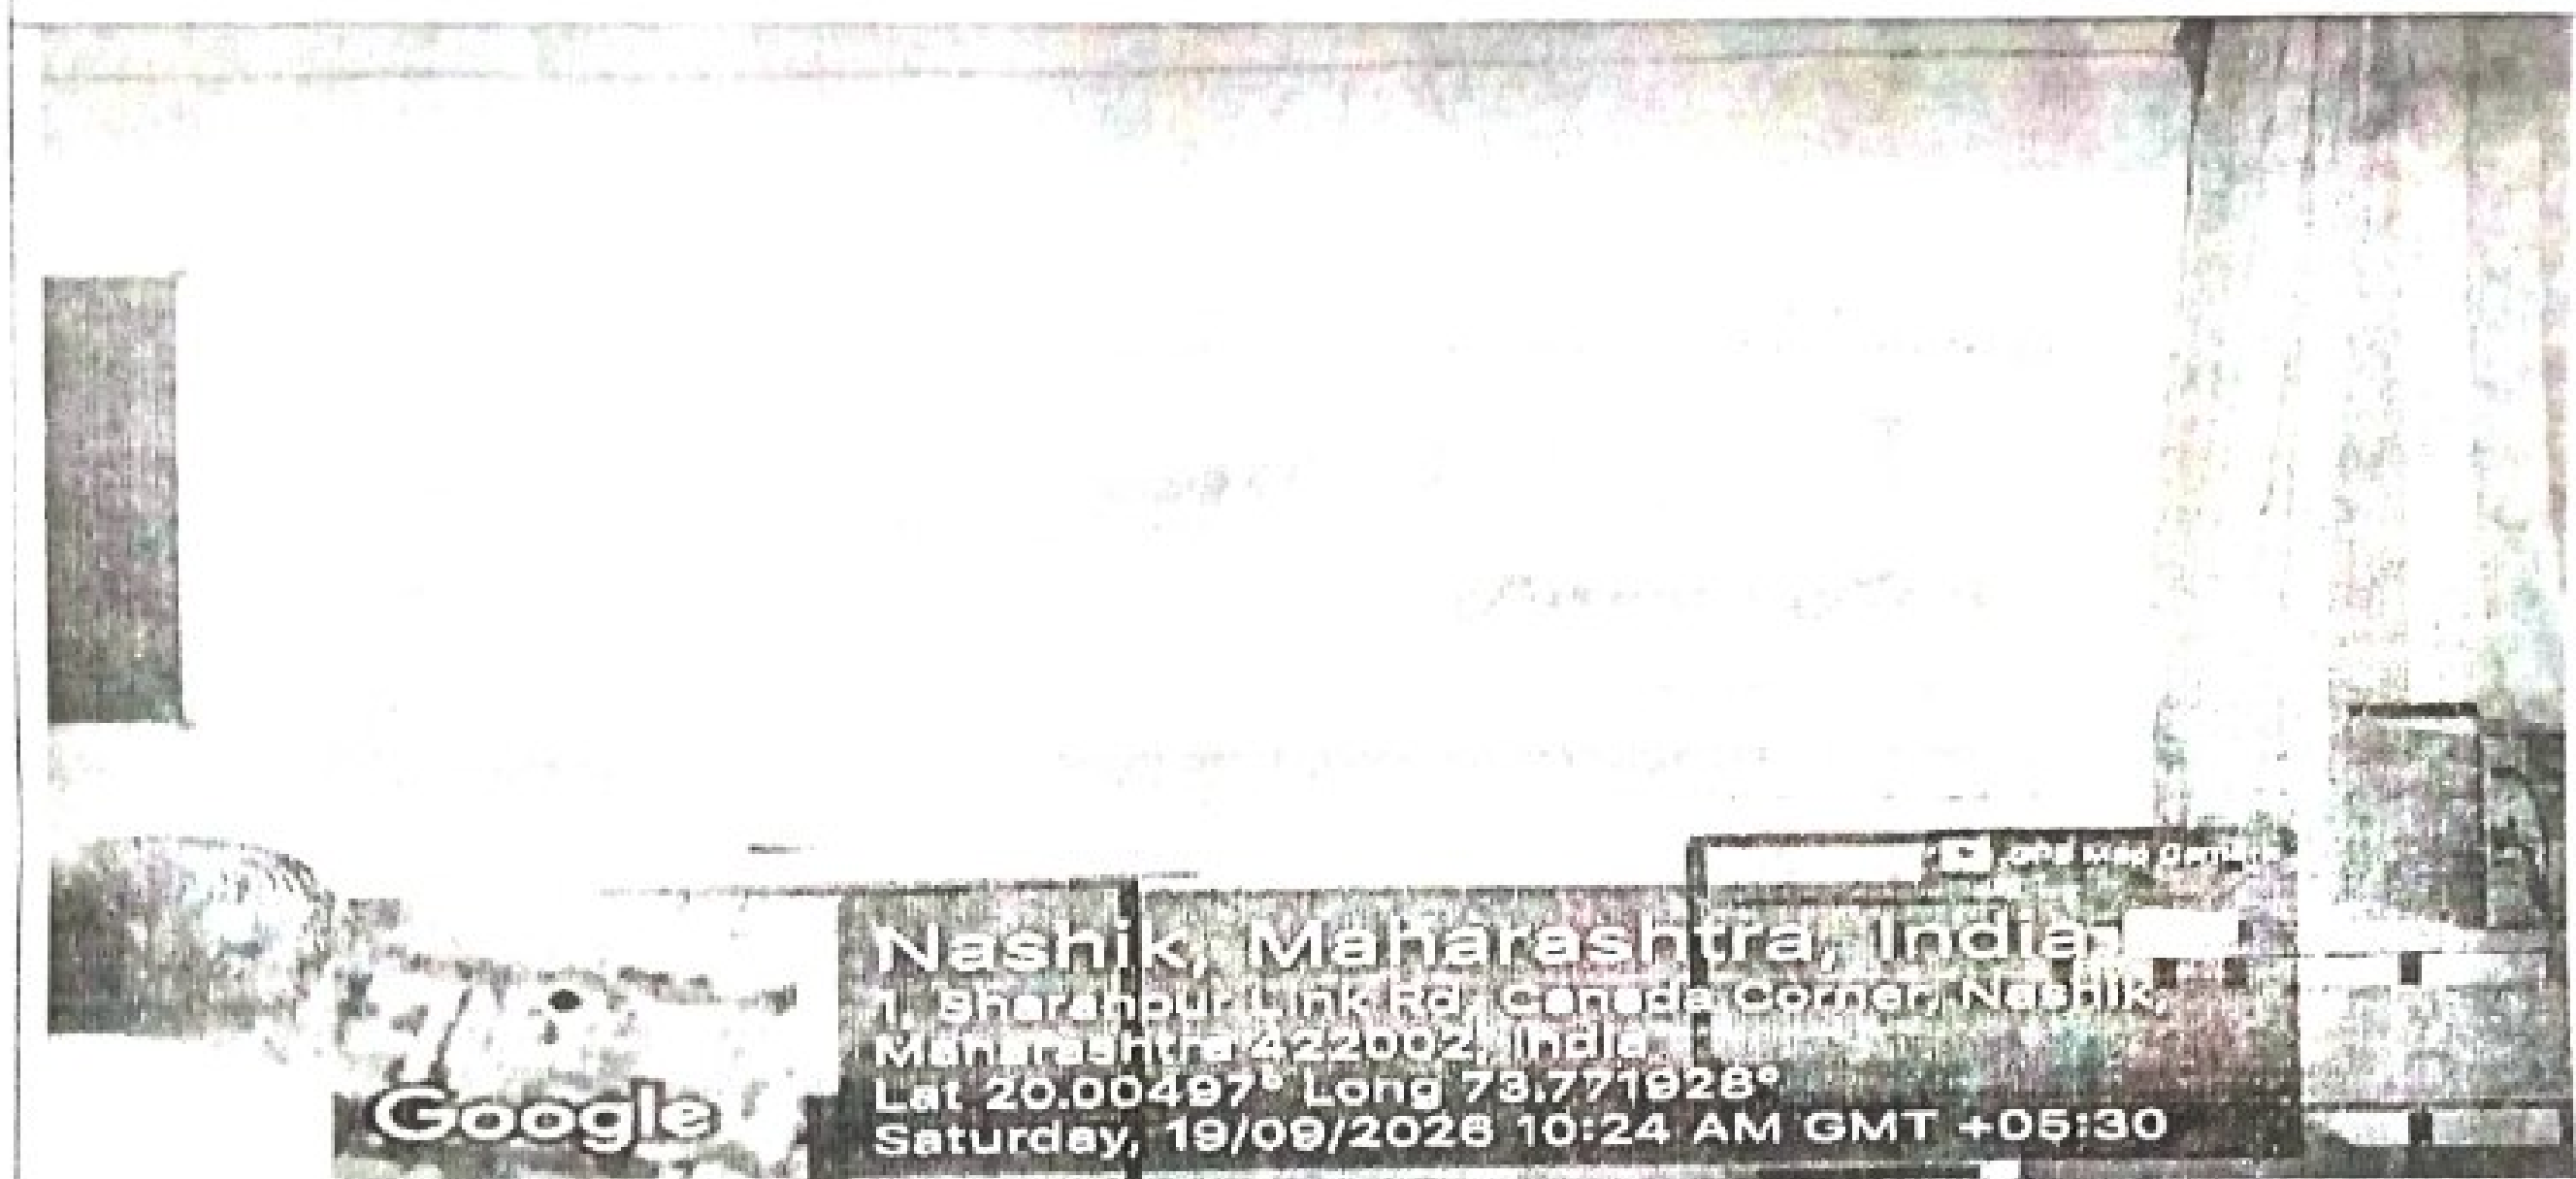

DEPARTMENT OF COMPUTER ENGINEERING

Particulars	Description
Activity	Parent-Teacher Meeting
Activity level	Department Level
Title	Parent-Teacher Meeting
Speaker / Resource Person	Faculty Members of Computer Engineering Department
Organized by	Department of Computer Engineering
Venue	Department of Computer Engineering Class Room 304
Date & Time	19/09/2026, 10:00 AM to 1:00 PM
Objectives of the activity	To discuss students' academic progress, attendance, performance, discipline, and overall development with parents. To strengthen communication between parents and faculty members.
Outcomes of activity	Parents received information about their ward's academic performance and attendance. Faculty members discussed areas requiring improvement and suggested measures for better academic performance and overall development.
Targeted participants	SE, TE and BE Computer Engineering Students and their Parents
Total no. of participants, Participation %	65%
Content of the activity	Academic performance, attendance, internal assessment, practical performance, student discipline, learning progress, career guidance, and suggestions for improvement were discussed.
Relevance to POs	The interaction supported students in improving technical knowledge, communication skills, professional development, teamwork and responsibility.
Relevance to PSOs	The meeting encouraged students to improve their technical competencies and apply computer engineering knowledge effectively for academic and professional growth.
Methodology used	Face-to-face interaction, individual discussion, academic performance review, feedback from parents and faculty, and guidance for improvement.

A Parent-Teacher Meeting was organized by the Department of Computer Engineering on 19/09/2026 from 10:00 AM to 1:00 PM. Parents of SE, TE and BE Computer Engineering students interacted with faculty members regarding the academic progress, attendance, practical performance and overall development of their wards. Faculty members provided feedback and guidance, while parents shared their observations and suggestions. The meeting helped strengthen communication and cooperation between parents and the department for the better academic and professional development of students.
