Rev-00		Semester: III/V/VII

DEPARTMENT OF COMPUTER ENGINEERING

Particulars	**Description**
Activity	Cultural and Traditional Activity
Activity level	Department Level
Title	Shastra Pujan 2k26
Speaker / Resource Person	Department Faculty Members
Organized by	Computer Engineering Department
Venue	Computer Lab No. 313
Date & Time	19 October 2026, 1:00 PM to 2:00 PM
Objectives of the activity	To celebrate the traditional occasion of Shastra Pujan. To express respect and gratitude towards tools and equipment used in academic and technical work. To promote cultural values and traditions among students and faculty members. To encourage discipline, teamwork, and positive values in the department.
Outcomes of activity	Students and faculty members understood the importance of respecting tools and equipment. The activity promoted cultural awareness and traditional values. It encouraged unity and participation among students and faculty members. Participants developed a sense of responsibility towards laboratory equipment.
Targeted participants	Students, teaching staff, and non-teaching staff of the Computer Engineering Department.
Total no. of participants, Participation %	-
Content of the activity	The activity included Shastra Pujan, traditional prayers, and the worship of tools and equipment used for academic and technical purposes. The event highlighted the importance of knowledge, discipline, and respect for the resources used in education.
Relevance to POs	**PO6 – The Engineer and Society:** Promotes cultural awareness and social values.

	PO8 – Ethics: Encourages respect, responsibility, and ethical values. **PO12 – Life-long Learning:** Encourages awareness of cultural traditions and continuous personal development.
Relevance to PSOs	The activity encouraged students to value and maintain the computer laboratory equipment used for practical learning and technical skill development.
Methodology used	Traditional worship, prayers, faculty and student participation, and a brief explanation of the importance of Shastra Pujan.
Brief Description of the Activity	Shastra Pujan was organized on 19 October 2026 in Computer Lab No. 313 from 1:00 PM to 2:00 PM. The activity celebrated traditional values and expressed respect for the tools and equipment used in academic and technical work. Faculty members and students participated in the ceremony, promoting cultural awareness, unity, discipline, and responsibility towards laboratory resources.
